You need 124 credits to graduate, an average of 15.5 per semester. (Note that some students have already earned college credit through AP courses, etc.)

* = Students must take 2 semesters of piano proficiency. Students testing into or out of level D need only credit for or validation of level D. Non-voice majors also must complete a Vocal Proficiency exam or complete MUS098 (Voice Class). If Voice Class or vocal diction is taken it may count as 2 credits towards the Music Electives that are required.

** = Note that you are required to take a total of 52 credits of music classes- this includes 40 credits of required classes, a minimum of 6 credits of music electives and 8 semesters of ensemble (maximum of 6 for credit). You are also required to take 48 credits of Core Classes, and 24 credits of Liberal Arts electives outside of music. These liberal arts credits may be used toward a separate minor or a second major.
